SPECIFICATION SHEET

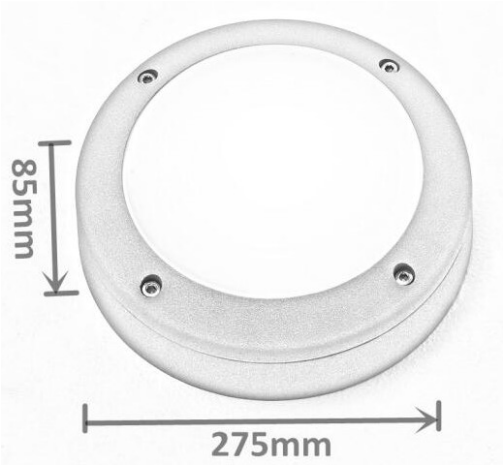
PRODUCT: ALTRICA

Overview

The FLUX ALTRICA LED Fitting is both versatile and innovative. The fitting is available as standard or with microwave sensor and/or integrated emergency pack. The microwave sensor gives you the capability of the fitting dimming smoothly down from 100% to as little as 10%. The dimming function can be changed on each fitting and is perfect for areas that need a small amount of light but are not used continually.

The FLUX ALTRICA LED fitting will reduce energy consumption by up to 85% and offer a maintenance free solution with an impressive 50,000 hour lifespan. It has a die cast aluminium housing offering high impact capability and strength.

Available Options
Microwave Sensor



Available Wattages
20W
30W
40W

Available Colours
White
Black
Grey

RoHS Compliant
