

SPECIFICATION

SHEET

PRODUCT: SAGA

Overview

The FLUX SAGA LED FLOODLIGHT offers an excellent quality of light with an instant start up and brightness. The 120° beam angle ensures that the maximum light spread and direction is achieved what ever the location. Designed for height between 4-6 metres the FLUX SAGA LED FLOODLIGHT will reduce energy consumption by up to 80% and offer a maintenance free solution. Typical lifespan of 50,000 hours and 5 year warranty.
