## SHEET

### PRODUCT: DISCUS

#### Overview

The FLUX DISCUS LED disc light fitting is available with microwave sensor and/or integrated emergency pack. The microwave sensor gives you the capability of the fitting dimming smoothly down from 100% to as little as 10%. The dimming function can be changed on each fitting and is perfect for areas that need a small amount of light but are not used continually.

#### Key Features

Mains Frequency: 50Hz/60Hz  
 Operating Temperature: -30 ~ +40  
 Body Material: Die-Cast  
 Product Colour: Grey  
 Lifespan: 50,000 hours  
 Equivalent Wattage: 28W  
 Emergency or Dimmable options available
