PRODUCT: PRIRIO SQUARE

Overview

The Flux PRIRIO LED square panel range is for a recessed fit and is available in 2 sizes this being the smaller of the two 595x 595mm. Stylish and sleek in its design it can be used across a wide spectrum of applications. Available in a number of colour temperatures and with a lifespan of 50,000 hours this fitting is ideal for areas that are hard to clean and require a sealed fitting. The simple design allows for a quick and easy installation with minimum disruption. The FLUX PRIRIO PANEL LIGHT also has a dimmable option available, This will allow the light output to decrease in low occupancy areas.

Product Specification Table

Product Code	W	Equ /W	Lm	Lm /W	K	Ra		 L mm	 H mm	 D mm	IP	
PRI-28-595	28W	56W	3220	>115	3000-6500	>80	120°	595	595	15	IP54	2.85 kg
PRI-36-595	36W	72W	4140	>115	3000-6500	>80	120°	595	595	15	IP54	2.85 kg
